

Term 6 Newsletter no. 3 14.07.2021

Dear Parents and Carers,

So, the end of the school year is nearly here. Despite the disruptions we have had a really wonderful time at nursery school with your children, so thank you for bringing them to us and being the lovely families that you all are.

Important dates and times follow for the end of term arrangements and the start of next academic year.

Parent Teacher Consultations for Leaving Children

Wednesday 14th – Thursday 22nd July 2021

We will be giving out our Leaver's Reports today and tomorrow in order for you to read them before discussing them in your parent teacher phone call. You will receive your date and time for this as you drop off your children this week. Then your child's key person will phone you at the appointed time.

PLEASE SEE SECTION BELOW ON FEEDBACK.

Children's Leaver's Party Wednesday 21st July 2021 and COVID 19 ACE Centre Regulations

With a rising infection rate in Oxfordshire and to keep children, families and staff as safe as possible before the summer break, we will be keeping our COVID 19 regulations and risk assessments in place until the end of term. This means that we would like you to continue sanitising your hands and putting on your facemask before coming on to the site. We will arrange our leavers farewells so that you can watch as you arrive to collect your child on the last day of term.

We shall be reviewing our risk assessments at the end of the summer holidays, before letting returning families what these will be going forward.

Can we thank you all for your support in following our covid system of control throughout the whole year and working together to keep our community safe and healthy.

Start of next term - Parent Teacher Consultations for continuing children.

For parents of children who are continuing with us next year, term will start on Friday 3rd September for returning children. You will have a parent teacher consultation at the start of next term, where we can get bang up to date with your child's latest

experiences and achievements and we will ask for your feedback for settling in and your wishes for going forwards at that meeting.

Feedback

The very best way for us to capture some of the remarkable achievements and lessons learnt from this year of lockdowns and comebacks is for us to receive your comments and feedback. Parents of leaving children will have their child's Leaver's Report feedback form inside their report envelopes. In addition, they will have a Parent Questionnaire handed out on Thursday and Friday this week. These are very valuable to us as they finish the year with a sense of completion and reflection and they showcase your voice and part in your child's nursery education.

So please do fill both these feedback forms in and return them to us.

| <class name> Feedback <date> | | | | | |
|---|-----------------|------------|------------|------------|------------------|
| I enjoyed the last two weeks | I loved it | I liked it | It was ok | Not really | I hated it |
| 9 understood the material | All of it | Most of it | Half of it | On it | 2 Not at all |
| This level of difficulty was | Too hard for me | A bit hard | Just | | Way way too easy |
| Do you have any comments or suggestions for <teacher name> to help improve the lessons? | | | | | |

Our last day of term is Thursday 22nd July.

At nursery school this week

Below is a quick snapshot of some of the things we have been doing at school these last two weeks.

Counting to four is fun when the targets are moving

Look up! I can hear a helicopter!
Exploring the environmental sights and sounds in the garden.

tactile

making

Cleaning up the mud kitchen

Making books telling a helicopter story
about a beauty palace and a rainbow
princess

Best wishes for a happy summer holiday

And see you in the Autumn 2021
